REMARKS/ARGUMENTS

This amendment, in the form of formal drawing submission, is submitted in response to the Office Action dated February 24, 2005, where the drawings were said to be informal. The application was said to be in a condition for allowance except for this formal matter.

In response to the objection, the Applicant has submitted replacement, formal drawings which show all drawing figures with clean, well-defined lines, drawing figure numbers and appropriate surface shading. The Applicant's attorney has carefully ensured that no new matter has been introduced with the new drawings. Reconsideration and allowance is respectfully requested in view of the above remarks.

The Examiner is directed to call the undersigned at 708-420-1971 if he feels that a telephone interview would expedite prosecution of this application.

Respectfully submitted,

A handwritten signature in cursive script, reading "Thomas J. Schab", written over a horizontal line.
